ASCA/ AHBA Sanction Pending

Description: The course will consist of obstacles set up all within the arena. Each obstacle will be worth a pre-determined amount of points. Each team (with dog or without dog) will have 4 minutes to complete as many obstacles as possible, in any order they wish, to accumulate points. Each obstacle may only be taken twice. The team will be signaled at 4 minutes to try and complete the "Gamble." The Gamble will be 3-4 obstacles in a set order of completion with a handler's line, based upon which class they are entered in. Teams will have one minute to complete to the gamble. During the gamble, each obstacle within the gamble will be worth double points. Obstacles in the gamble may be taken during the opening, but not in consecutive order, or you forfeit your Gamble.

The winner of each class will be decided by whoever earns the most points during their run. In the event of a tie, time will be the tie breaker. If both time and points are tied, the winner will be determined by what ever tie breaker the judge decides upon. If a dog (or handler ☺) bites, steps on, or runs over a duck, the run is over but the team will maintain whatever points they earned up until that point.

If there are additional day of entries available for the "Duck Off" each team may enter additional times for a discounted entry fee. The additional runs will not count towards the class placement but is a great way to get additional practice in.

This is a FUN event. Please enter your dog into the appropriate class level. (i.e. if your dog does not have a title but is trained past the started level please enter them in a higher level). All decisions by the judge will be final.

Sunday Dec. 16th
